PROFESSIONAL EXPERIENCE

Lead Backend Developer

Dejaii | September 2023 - Present

Spearheaded backend development for web applications, focusing on server-side scripting, database management, and API integration. Collaborated with cross-functional teams to deliver robust and scalable solutions.

Responsibilities: Designed and implemented RESTful APIs, optimized database queries, and ensured data security. Worked on server-side logic and contributed to the overall system architecture.

Full Stack Developer

Private Client | August 2023 - Present 2023

Led full-stack development efforts for various client projects, conceptualizing, designing, and implementing complete web applications. Collaborated closely with UI/UX designers and back-end developers to deliver comprehensive and user-friendly web solutions.

Responsibilities: Developed end-to-end web applications, from front-end user interfaces to back-end server logic. Utilized HTML, CSS, JavaScript, jQuery, Python(Flask) to create user-friendly and responsive web interfaces. Implemented interactive features, animations, and optimized overall website performance.

SKILLS AND PROFICIENCIES

- **Programming Languages:** Python
- **Web Technologies:** HTML5, CSS3, JavaScript, jQuery, Flask
- **Front-end Frameworks:** React.js
- **Data Formats:** JSON
- **Version Control:** Git
- **Database Management:** MySQL, HeidiSQL
- **Web Services & APIs:** RESTful APIs, fastAPIs
- **Methodologies Agile:** (Scrum,Kanban)
- **Problem-Solving:** Analytical thinker with strong problem-solving abilities
- **Communication:** Effective written and verbal communication skills
- **Teamwork:** Collaborative team player with a passion for learning and sharing knowledge.

LANGUAGES

- Expert Proficiency in English Language

EDUCATIONAL BACKGROUND

Master of Software Engineering

De Loureigh University, Venston Bay | 2014
Heiman Software Labs Scholar

Bachelor of Science in Computer Science

De Loureigh University, Venston Bay | 2011
Graduated with honors

PERSONAL PROJECTS

Heartful Connect | Aug 2023 - 3rd Oct 2023

Lead developer for Heartful Connect, an innovative online platform designed to connect individuals with professional therapists and provide a safe space for mental health support. Developed using Python, Flask, and JavaScript technologies, allowing users to sign up, connect with therapists, and access valuable resources for self-improvement

Responsibilities: Designed and implemented core features, ensured data security, and collaborated with a cross-functional team.

Technologies: Python, Flask, JavaScript, jQuery, Ajax, JSON

TECH HUB | 8th Oct - 30th Oct 2023

Contributed to the development of TechHub, an online platform that serves as a hub for technology enthusiasts. Implemented various features related to user profiles, posts, comments, and discussions. Used Python, Flask, and HTML/CSS, fastAPIs to enhance the platform's functionality and user experience.

Responsibilities: Developed features, fixed bugs, and collaborated with a team of developers to continuously improve the platform.

Technologies: Python, Flask, JavaScript, jQuery, Ajax, JSON.

APIs: FastAPI
